She has no time for a vacation, but when her friend, a friend who won't take 'no' for an answer insists, she sends out resumes, and boards The Frisco Express-New York City to California.As young teens, on a steam train, these two women fell in love. And on a steam train, twenty-six years later, they're given a second chance. But the years have taken them to drastically different places. Can they straddle their worlds and seize it?.
